THE TIMES.

A. H. CLEMENT Editor.

WEDNESDAY, SEP. 12, 1906.

We don't just understand why Governor Swanson could'nt find time to go to Radford and introduce Mr. Bryan. The Commonwealth is not engaged in war, nor is it passing through any great emergency. A day off would have entailed no serious loss to any of the people of the state, and the Governor should be on hand to welcome this distinguished fellow citizen, this foremost Democrat of the age. Mr. Swanson found time in which to go to New York to join in a general welcome, and we are wondering what has occurred since to interfere with the home-welcome. Surely he is not ashamed of this brother Democrat, his record as written, and we can't understand that he should be afraid of his future. that this busy man, this fellow American, who the world wants to hear should have found time in which to honor us with his presence, and at a time and in a section of the state when and where his splendid services were so much needed, carries with it a fine compliment to all the people of the Old Dominion, and Virginia's Governor should be there to welcome him.

The oysters R with us again, and we R glad to welcome them. and R going to have a good time with them. We R also grateful to the men who tong them and the cooks who cook them, and the dealer who sells them R altogether much more comfortable in mind and body since the return of the succulent bivalve and R gratified to know that they are to remain with us so long as R remains with the months.

Ex-Governor Tyler says Mr. Bryan will "sure" be at Radford on the 15th, so you can go with the assurance of hearing him. If you can go it is a privilege you should not deny yourself. All the world is in love with Bryan except a few disgusted, dissatisfied, dyspeptic, demoralized, disappointed Democrats.

The Richmond Evening Journal is strictly right in saying that when the Bill of Rights was enacted into law it had no more reference to enfranchised negroes than it had to do with the movement of the stars. The sickly sentimentality of some of our papers on this subject is disgusting and damaging.

The Norfolk Ledger-Dispatch is right in saying that Messrs. Maynard and Cabell should not have met in joint debates. We have had quite enough of this in Virginia, and all thoughtful Democrats cry, "hold, enough." As a rule joint debates are better than still hunts.

And now our brother of the Blackstone Courier is squibbling at Mr. Bryan, and the Norfolk Landmark is shooting it off again with apparent glee. What has Bryan done that the members of his own party are the only people on earth to make war upon him?

It is said that the Pennsylvania's railroad grip on the N. & W. and C. & O. is loosened. We hope so. The N. & W. is big enough to stand alone, and so is the C. & O. Virginia's interest in these great corporations can not be promoted by having an outsider with the "grip" on them.

Stensland, the Chicago banker, who looted the bank saye he was at it for twelve years. And yet the directors held regular meetings and approved the reports. The directors simply did'nt direct.

It is well to remember that Mr. Bryan will be at the Radford fair on the 15th, next Saturday. If you want to see a great man and hear a great speech, go.

The navy isn't any bigger or stronger since Mr. Roosevelt reviewed it and the cost was enormous. But ours is a strenuous President and he must have diversion.

Some of the Tillman pets may have gone down in the recent South Carolina fight, but the man with a "pitchfork" is still "making hay" sun or no sun.

The Mann bill to the contrary there was no "dry" place in the recent past in all Virginia for 40 days and 4 nights.

We are told that the banana skin is to be converted into paper. Thanks. No more slipping and falling on the side walks.

Mr. Emmett Gregory for years postmaster in Buckingham County, has been nominated for Congress from the 10th district. In our opinion he has absolutely no chance of election and the empty honor given him by his friends will, no doubt, be worn by Mr. Gregory with that faith born of hope in the G. O. P. for better tolngs.

Thos. H. Garnett at Rest.

After months of battle with death the old neighbor Thomas H. Garnett was "gathered to his fathers" on Wednesday the 4th, and his remains were laid to rest by the side of his late wife, on the 5th, who had preceeded him just one year less 14 days.

Thus has passed away at the age of 88 years one of Buckingham's oldest and best citizens; one brother only is left now of a numerous family viz; Mr. A. C. Garnett of Curdsville, who serms hale and hearty at 84 years.

The Rev. Mr. Carson read the burial services, and 6 of the deceased man's nephews acted as pall bearers viz Messrs. Wm. E. Chas. M. A. C. Jr. and Joe Garnett, J. W. Word and William Smith of White Hall.

Mr. Garnett had been a steward in Smyrna Methodist church for 50 years and the officers and members of Smyrna were very conspicious at the grave side "by their absence" only one member outside the Garnett family of that church he had served so long, and so faithfully could spare the time to pay the last sad duty of the living to the dead.

Ten Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargment of prostate gland. This is both painful and dangerious, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularites and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old."

That it was beneficial and quick in relieving me there is no doubt and it is my intention to obtain another bottle"

$100 Reward.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address

Charles W. Hunter Dead.

Our community was saddened to learn of the death of Mr. Charles W. Hunter, which occurred at his residence in this village yesterday evening. The deceased had been under the care of the best physicians in our State for six months, and the disease was of such a complicated nature that skill and nursing could not check it's ravages upon his system. Sunday his condition became alarming to his family and Drs. Hermon and Chap Jones and Cannady were summoned for consultation, and as a result an exploratory operation was performed Monday. He lingered for 24 hours and passed away yesterday.

The deceased was 56 years of age and was a son of Charles W. and Ca oline Hunter. He was a traveling salesman from Lynchburg, where he was highly esteemed and favorably known. He was an elder in the Presbyterian church here and no man in the community was more respected for his piety and christian character. He was the friend of all who came in contact with him and his death is universally regretted by our people

Twenty years ago he was united in marriage to Miss Lula Jones, a daughter of Hon. J. C. Jones, and she, together with four children survive him.

The funeral services were conducted by Rev. Dr. Winn, his pastor, assisted by Rev. G. S. Kennard.

Beautiful floral offerings were presented from his friends in Lynchburg and of his home county, and a large crowd followed his remains to their last resting place. He is now at rest; let us cherish his memory, for his walk in life was that of a just and honorable man.
